Hampton Housing Needs Survey

We want to know what you think!

The city of Hampton is participating in Iowa State University Extension and Outreach Community and Economic Development (CED) unit's Rural Housing Readiness Assessment (RHRA) Program. A local housing steering committee will be participating in an educational session and a strategic planning session with CED specialists to create a vision and an action plan to address housing needs in Hampton.

Gathering your input is an important part of this process and your ideas about housing needs are valuable to the Hampton housing steering committee, so we are inviting you to take a few minutes to complete a brief online survey.

The survey is sponsored by the City of Hampton, the Iowa Finance Authority, and Iowa State University Extension and Outreach Community and Economic Development.

Questions? Contact **Ron Dunt** at rdunt@hamptonia.us.

This institution is an equal opportunity provider. For the full non-discrimination statement or accommodation inquiries, go to www.extension.iastate.edu/diversityext.
