Parks and Recreational Areas

Beed's Lake State Park

Beed's Lake State Park offers camping, fishing, swimming, picnic areas, and two miles of trails that follow the shoreline. One unique feature of the park is the causeway that crosses the lake near the lodge. Another focal point of the park is the unusual 170 foot-long spillway with horizontal layers of limestone dropping abruptly 40 feet.

Northwest of Hampton. Allow 1-2 hours for fresh air and scenery.
